Telegram just telephoned  
in from N.Y.

New Jersey State Investigation Committee  
just called and asked for statement  
and pressed one question hard -  
did the best I could, and  
asked if I would come at Senator  
Simpson's request or must be  
imposed, said I thought Father  
Nolan sent them, please advise  
shall I come to town

Sally Peters.

In Mrs Gibsons testimony she says  
she saddled her uncle & rode to farm.  
She didn't know she lost her laces  
till she stepped off the mule at  
home. That is some thing to "give her  
up m". Either she didn't saddle her  
uncle, or else if she did, when  
riding home 2 miles with her feet in  
stirrups she couldn't have helped but  
know from the start, her feet felt  
differently. If she didn't use

the stirrups they would hang her  
feet anyhow. If there were no  
stirrups in the saddle there was no  
particular reason for her to say  
she saddled her uncle. She was  
probably going so fast she didn't  
know what she had, but they  
fired in every little thing Francis  
says or does. If she had seen &  
heard just ordinary shooting why was  
she in to much of a hurry to get by  
uncle. 105.2166 p4
